SUBJECT: TRANSLATION OF CHAD HUMAN RIGHTS REPORT

REF: STATE 33794

Post requests Department arrange translation of the Chad human rights report, per requirement outlined in reftel. Embassy has a protocol employee who, with supervision from emboffs, translates short, simple diplomatic notes, but there are no personnel within the Embassy capable of a long translation, all the more one which requires the exactness essential to the human rights report. The Department arranged this translation last year.
